EC-DVI-HDMI Pro-2 Series Cables

DVI - HDMI cable allows interconnection between digital display devices, such as DTV's Plasma displays, LED TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. HDMI DTV's will display video received from existing DVI-equipped products, and DVI-equipped TVs will display video from HDMI sources. HDMI technology uses a much more compact and user-friendly connector than the existing DVI connector. The HDMI specification handles higher-bandwidth, uncompressed video, and multi-channel digital audio, all in one neat cable solution. (DVI-HDMI cable supports digital video only)

- DVI to HDMI Adapter Cable Creates a pure digital connection between a DVI-enabled computer and a HDMI-enabled display
 - Gold plated connectors provide optimal signal transfer
 - Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference

*Certified With 1 Years Replacement Warranty
